FCC COMPLIANCE

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Modifications not authorized by the manufacturer may void users authority to operate this device. CAN ICES-3 (B)/NMB-3(B).

BEFORE YOU BEGIN

Before playing, an adult must install fresh alkaline batteries in the base.

Here's how:

1. Using a Phillips screwdriver (not included) remove the screw and battery compartment cover from the base.
2. Install four (4) fresh 1.5V AA (LR6) alkaline batteries (not included) in the base making sure the (+) and (-) ends face the proper direction as indicated inside the battery compartment.
3. Replace the compartment cover and tighten the screw.

QUICK START

Insert one side of the arch into the opening on top of the base.

Slide the hooks underneath the base into the fabric loops on top of the mat with the switches facing the outside of the mat.

Lift up the mat and attach the clip to the arch by opening the clip and sliding it through the loop on the arch. Then, close the clip to secure.

Add the attachments on the arch or around the mat with the hook and loop fasteners.

Turn the base to low or high volume.

○ OFF ◀ LOW VOLUME ▶ HIGH VOLUME

- Press the swaying button once to make the arch move forward and backward over the mat. After 2 1/2 minutes, the swaying will stop. To stop the swaying at any time during the cycle, press the button again.
- Press the music note button to play songs. After 10 minutes, music will stop playing. To stop the music at any time during the cycle, press the button again.
- Press the swaying button after pressing the music button, and the swaying will continue throughout the music cycle.
- Always turn the base OFF (O) after playing to conserve battery power.

⚠ WARNING:

- Adult supervision required. Do not leave baby unattended while using the gym.
- Do not expose the unit to moisture of any kind. Wipe the unit with a damp cloth to clean.
- Always use the gym on a flat, level floor.
- Do not add strings or other ties to the gym to prevent entanglement.
- Never place the gym in a crib. Always use in an open area.
- Keep hair and loose clothing items away from the swiveling base.
- Only use the bolster pillow during tummy time. The pillow should not be on the mat at any other time.
