Celebrating 50 years of playing big!

At Little Tikes, we don't just make toys. We make play. It's what we've made for 50 years — and it's what we'll make 50 years from now. From the world-famous Cozy Coupe®, born in 1979, to the recently introduced STEM Jr. line, we pride ourselves on creating toys that go way beyond the concept of 'play'.
