### QUICK START

With the button facing you, hold the tree trunk down and press the button.

Watch your plush pets spring out of their home and fly through the air! After opening the Springlings™ pets for the first time, remove the paper collar.

To reload the plush pets, insert them into their tree trunk and press down. You can stack them on top of each other, or just load one pet.

**TIP:** For optimal height, move the sewn-in label out of the way of the springing mechanism.

Continue holding the plush pets in place, and lower the lid until it clicks into place.

Store your springy homes from other Springlings™ items (not included) in the holders on the treehouse.

## **IMPORTANT INFORMATION**

- Do not launch anything except for the included plush pets out of the springy home.
- Keep the springy home away from your face or other people when launching the plush to prevent injury.
