## A day in Cozy Coupeland!

It was a sunny afternoon in Cozy Coupeland. Cozy was taking a lazy drive through the kingdom.

Cozy: What a glorious day! I'm heading to Princess Coupe's tower!

He spots Dino Coupe in the Princess's tower!

Cozy: oh no! It looks like Princess Coupe is in danger! What should I do?

He drove around the castle, then he had an idea!

Cozy: I know! I'll call my friend, Fairy, and see if she can help! – Super Duper Couper Pooper!

Fairy appears!

Fairy: Now then, what's all this fuss about? Why have you asked for my help?

Cozy: Princess Coupe is in trouble, there's a dinosaur in her tower!

At that moment, they heard a loud noise coming from Princess's tower.

Fairy: It sounds like she might need some help. I will use a magic spell to get into the tower but I don't think I'll be able to fight a dinosaur. He's too big!

Just then, Police Coupe turned up, driving by on his daily rounds of the castle.

Cozy: Hey Police Coupe! We need your help!

Police: 'Ello 'ello 'ello! What's all this then?

Fairy: We need to get into the tower to save Cozy! I'll use my magic...  
Yellow sun and purple flower, fly us all into Princess's tower!

And just like that, they disappeared and reappeared in the tower!

Police: Stand back! I'll handle this! Release Princess Coupe!

Princess: What's wrong?

Police: We're here to rescue you!

Princess Coupe and Dino Coupe burst out laughing

Princess: I don't need saving; Dino is my best friend and he had just told me a really funny joke!

Dino: Do you want to hear it?

Everyone rolled around on the floor in fits of laughter and lived happily ever after!
