

IT'S A PERFECT MATCH!

Play this fun matching game with your family!

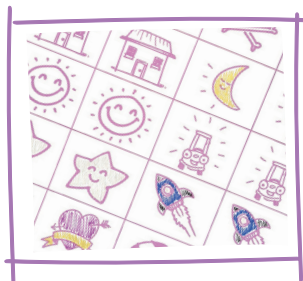

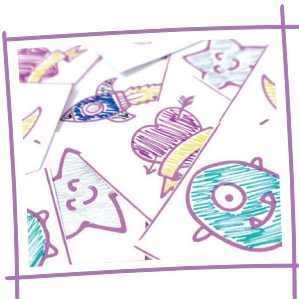

Print out the matching cards and colour them in! Make sure you colour in both cards the same so they match!

Cut out the cards using scissors with the help from an adult.

Now it's time to play! You can play on your own or with the whole family - it's up to you!

- 1 Mix up the cards and lay them face down on the table in rows.
- 2 When it's your turn, choose two cards and turn them over.
- 3 If the two cards match, keep them.
- 4 If they don't match, turn them back over.
- 5 Take it in turns to see how many matches you can get - remember where each card is!
- 6 Once all the cards are matched, count up your pairs and see who has won!
