On May 16th, we are hosting the first ever Cozy Coupe<sup>®</sup> Giant Race! Get involved with either your friends online or your family in your own back garden! To get ready for the event, make your own props and accessories with paper and cardboard you probably already have at home. Try using cereal boxes or old cardboard boxes. Simply print out, stick them to cardboard and decorate ready for your very own Giant Race!

Remember: if you are playing online, invite your friends to race along with you from their own homes!

## Trophy

Cut around the lines, stick to cardboard and decorate your trophy.  
This is ready for your victory lap on the 16th!

## Car Numbers

Simply print out and colour these car numbers and attach to your car so we know which car you are driving!

## Chequered Flag

Cut out the chequered flag so mum or dad can wave you over the finish line.
